Tree protection by-law considered by council

Anson, Hindon and Minden council invited Peter Hynard, the management forester at the Ministry of Natural Resources office in Minden to discuss his role in the Dysart et al tree cutting bylaw and assess its applicability to this municipality.

Hynard explained at the June 9 meeting that the Tree Act, which allows municipalities to restrict tree cutting, was historically used only in Southern Ontario agricultural lands. Now, municipalities consisting of large areas of forest land are considering the bylaw and adapting it to their use.

Dysart started considering the bylaw almost two years ago because of the large scale cutting in the municipality. Their concern was accelerated by 1000 acres of land around Haliburton Lake which had been "butchered". There were also reports of trespassing on private land to remove trees which "caught everyone's attention," said Hynard.

The large numbers employed in the lumber trade were angry about a by-law restricting their harvesting so Dysart set up an advisory committee of loggers, land owners, a cottage association representative and Hynard to

draft a bylaw for consideration.

The compromise document which resulted was accepted by the municipality. Due to a technicality, the bylaw had to be passed by the county council, with the provision Dysart bore all costs.

Prompted by Councillor Dave Stevens, Hynard explained the three main purposes behind the bylaw. He said the major objective behind the legislation is to protect young trees from premature harvest. High quality lumber is imperative for sawmilling but small diameter trees were being harvested as well for fuelwood.

The second objective is to protect winter deer yards which require hemlock critical to deer. The deer yards are a source of recreation in tourism dollars.

The third objective, said Hynard, is to ensure logging operations would not conflict with cottage subdivisions, another source of tax revenue for the area.

The forester said there are exemptions to the bylaw, notably for Anson, Hindon and Minden, Crown land. Other exceptions include areas around gravel pits, where roads are being constructed and surveying is

being carried out.

Another compromise which satisfied all parties on the advisory committee was the "sunset clause" limiting the length of the legislation to one year at which time it can be reviewed and altered if necessary.

Deputy Reeve Ed Pergolas questioned Hynard about the arbitrary diameter limit on trees eligible for cutting and the set back of tree removal from lakes and roads. The deputy reeve wondered if the figures decided upon by the Dysart committee were ideal.

Hynard replied the bylaw was developed as a result of concessions on the part of himself and the ministry, and the other members of the group including forest industry personnel and the cottage association representative. He said some of the figures could be called conservative.

McKnight asked Hynard for his views on clear cutting, mentioning he knew of a few areas in the township the land had been abused.

Poplar stands were used by Hynard as an example. He said the tree is tolerant of shade and therefore the suckers grow better after the larger trees are removed. He listed several other shade

Greg Newell heads for first base after punching a bunt in a Rockcliffe Hustlers-York Tavern Tri-county game Wednesday. The twelve inning contest saw the Hustlers go down to their first defeat of the season by a 4-1 score. More details, see page 7.

County residents attend Conservative convention

"It was an exciting and impressive convention."

Those words describe Barb Dawson's reaction to the Progressive Conservative leadership convention held in Ottawa during the weekend. Haliburton Village resident Barb Dawson attended as one of a number of delegates representing the riding of Victoria - Haliburton.

"I know this may sound corny, but I was really impressed to see the democratic process in motion and to be a part of it," Barb comments. She found the contact between delegates, particularly the opportunity to meet Canadians from all parts of the country, was an enriching experience. It offered an excellent opportunity to gain a better perspective on the country as a whole.

Barb went to the convention an uncommitted delegate, but she did not go unprepared. Prior to leaving for Ottawa she talked with residents of the county about their vision of the country and the party, considered the positions presented by the candidates and exchanged ideas with other members of the party.

Once at the convention, the speeches and platforms presented by the candidates helped her to form an opinion as to who she felt would be best to lead the Progressive Conservatives.

"On the first ballot I voted for Michael Wilson. I felt he had an understanding of the problems facing our economy, especially because of his business background. I think that we have to get our economy in shape before we can start correct-

ing the programs which exist in other areas. Wilson is also a bilingual Canadian."

Wilson withdrew after the first ballot Saturday. Barb won't say who she voted for on the next two ballots but when it came down to a stand-off between Joe Clark and Brian Mulroney, she voted Mulroney and helped elect him the new leader of the Progressive Conservative Party.

As an uncommitted delegate one imagines that Barb would be under a constant barrage of pressure from representatives of the various candidates. However, she reports that while the candidate's representatives were constantly moving through the crowd, there was no undue pressure exerted. "It was more like an exchange of ideas," she commented. "You would

discuss a candidates stand on a particular issue and if it appealed to you, it could sway your vote. I think the organizers told their staff they would lose more delegates by using hard sell techniques than attempting to persuade the individual using logical arguments."

Barb found this exchange of ideas stimulating and interesting. "It was marvelous. Everyone was talking to everyone else. It was fascinating being there on the floor of the convention hall."

Prior to the start of convention activities, Barb found herself sharing a position in the registration line-up with former party leader Joe Clark. "He was in line right behind me when we registered. I offered to step aside and let him go ahead but he insisted that I

finish first," she recalled.

Is she satisfied with the delegate's choice of leader for the Progressive Conservative Party. "Yes, I think he'll be a good leader," Barb said.

Chris Hodgson

Another delegate from the county to attend the leadership convention was Chris Hodgson of Haliburton. Chris was representing a young Conservative club former at the Trent University last year.

"I found it a very exciting experience," Chris related. "It is the best entertainment value going." He noted that as delegates they were involved in activities at the civic centre from nine o'clock in the morning until ten in the evening.

A great deal of the excitement of the con-

vention for Chris came from the 'deals' and rumours of deals between candidates which circulated during the day. "There was always a lot of gossip going the rounds."

Chris was a staunch Crosbie supporter until the candidate from Newfoundland was eliminated following the third ballot. "I voted for Crosbie because of his background. He served as a Cabinet minister at both the federal and provincial levels and has a great deal of experience. On Friday evening he really delivered the goods during his speech. It was terrific."

While Chris' first choice was not elected, he feels Mulroney will serve the party well. "He is as able as Crosbie and has a strong business background. He'll

(More on page 5)

BIA searching for extra funds

The Business Improvement Area sent a delegation consisting of president Gord Monk and Stu Brandon to the Anson, Hindon and Minden council meeting June 9. The delegates were concerned about funds committed by council.

"There's a discrepancy somewhere along the line as to funds set aside by council for downtown improvements," said Monk. He said former reeve Sinc Nesbitt and the council he presided over agreed to commit \$25,000 per year and advised subsequent councils to continue the funding until the project is completed. He pointed out that in a March 1980 issue of The Times, council's representative to the initial BIA meeting, coincidentally Stu Brandon, informed merchants council had decided to allot \$25,000 to downtown upgrading.

There was some debate at the Thursday meeting

concerning the sum of money to be set aside. Reeve Lyle McKnight, a councillor when the decision for funding was made, said he remembered the sum as \$20,000. Clerk-treasurer Elinor Burke said she believed the resolution was for the lesser amount.

Monk said according to the \$25,000 commitment, accumulated funds should have reached \$100,000 by this year but the municipality has only \$60,000 reserved.

"We're being railroaded out of \$20,000 definitely and \$35,000 actually".

McKnight said he

believed the municipality had set aside the lower figure per year that with the error which put BIA money in general accounts and thereby losing it, only \$60,000 should be in the fund. Monk said he talked with Nesbitt and that the former reeve stated his council agreed to \$25,000.

Another concern was introduced at the meeting by Stu Brandon. "We perceive a problem," he said. "There aren't enough funds to complete the work."

Deputy Reeve Ed Pergolas said that he expected the work to be done to improve the down-

town but said if it came to setting aside funds for next year, it would be done. He suggested the NEED work be done before any evaluation of funding be done.

Brandon said Friday he received the information that there may not be enough funds to complete downtown work from the municipality.

Councillor Gary Kenney said the problem seems to keep recurring. He called for the two groups to settle the problem.

McKnight directed Burke to have a report on the problem for next council meeting.

Township buys property

The first step has been taken to provide the village of Minden with a town centre it was revealed at the municipality's council meeting. The move is contrary to the advice of the CAUSE study done in the village and paid for by the Business Improvement Area (BIA.)

Reeve Lyle McKnight made a reference to the decision during a meeting with BIA delegates Stuart Brandon and Gordon Monk and added little more information when the by-law came up for approval later in the meeting.

The property purchased is

next to the Canadian Imperial Bank of Commerce. Minden real estate agent Gary Vasey and McKnight settled on a price of \$60,000 for the property. The terms of the deal include \$25,000.00 cash paid to Vasey and two properties, one on Soyers Lake and the other on Mountain Lake for the Main Street location.

Clerk-treasurer Elinor Burke said the deal for the property will close in the middle of June.

She also mentioned there have been some conceptual drawings made of the proposed centre but council had not decided on any

course of action as yet.

Deputy Reeve Ed Pergolas said the lot will be cleaned up (the building will be torn down) and following that, council will require a lot of input to decide what to

lot of input to decide to what use the land should be put. He said a consultant's report suggested a mini-park but council might alter the whole concept. He was sure there would be a walkway incorporated into any plans.

Stanhope budget up 8.7%

The ratepayers in Stanhope township were presented with the municipality's 1983 budget at the township meeting June 8 and received a mill rate increase of 8.7 percent or \$30.24 on the average assessment of \$525.

Reeve Harry Davis was pleased with the budget devised as were other members of council. "I think we did quite well," he said. "We didn't have much elbow room to manoeuvre."

Municipal expenditures have increased 3.7 per cent to \$331,930.00, the county levy has increased 1.5 per cent to \$85,643.53 and the board of education demands have been raised 10.7 per cent to \$504,074.00. Clerk-treasurer Gerald Bain said the municipality has benefitted by provincial government grants for education which dropped the original education levy from 11.5 per cent.

The municipality is standing pat as far as capital expenditure projects are concerned. Davis said the municipality has about all the facilities they need at the present time.

Student's design takes top prize

Glen Clarke is the winner of the building design competition sponsored by the Haliburton Highlands Chamber of Commerce. The results of the contest were announced earlier this week.

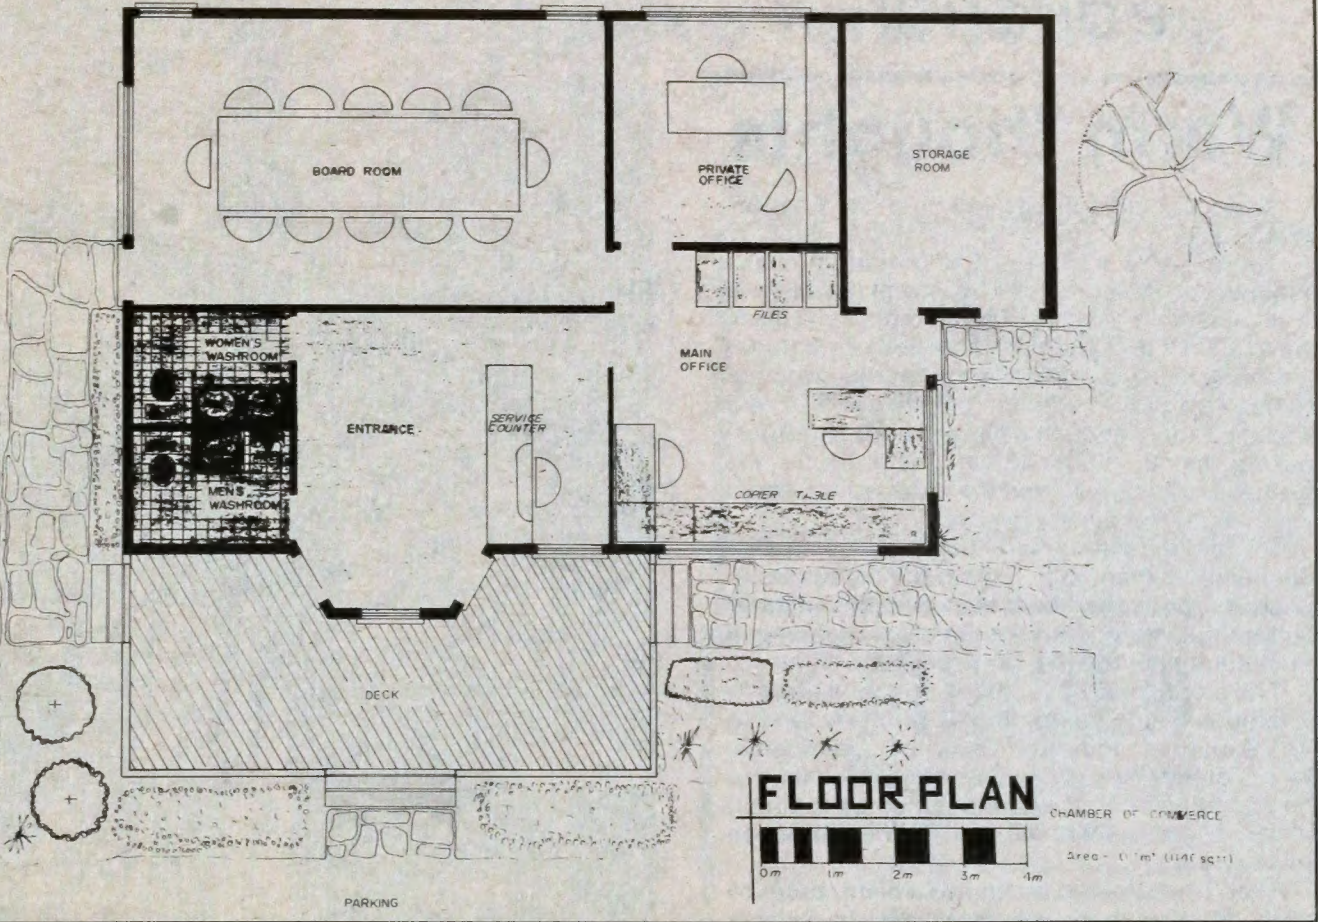

The building committee of the Chamber had asked grade 11 and 12 drafting students at Haliburton Highlands Secondary School to design a new welcome centre and business office for the Chamber. The students were given approximately seven weeks to consider the needs of the building and to design and draw their concepts.

"I am very pleased with the results of this competition," committee chairman Bill Kulas commented. "The students have obviously put a great deal of work into the projects." According to drafting teacher Les Jankovich, the students worked on their designs during their spare time.

Prize money of \$150, donated by several local individuals, was shared among the winners of the top designs. Placing second in the competition was Charlie Teljeur while Pete Jennings placed third. Runners-up in the competition were the teams of John Teljeur and Fred Angnes, and Steve Tripp with Stephen Rogers.

Kulas noted that the designs showed an appreciation for the needs of the Chamber while incorporating some interesting architectural innovations. He noted that the committee may not use the first place winner for the building's final design but could incorporate aspects from all the submissions prepared by the students when the building design is established.

The work prepared by winning student Glen Clarke can be seen at the right.

Tenders called for building

Only a week after formally accepting their budget, the council of Anson, Hindon and Minden is accepting tenders for one of the major projects for 1983. The tender is requesting quotes from general contractors for the erection of a new ambulance garage.

Rob Luke of the ambulance service in the Minden area attended council on the June 9 meeting with an estimate for

the building. He collected a list of maximum prices for materials for the building and originally submitted a quote of \$23,000. Reeve Lyle McKnight reviewed the specifications and thought some of the materials were not up to standard. He asked Luke to upgrade the proposed two by four's to two by six's and bring the insulation rating up from -12 to R-20 and R-28. The resulting increase in Luke's estimate is still within the

funds budgeted for the new garage. Bylaw enforcement officer Dick Schell said the original materials were within the building code.

The estimate for the building is now \$24,277.

The municipality is building the new ambulance headquarters due to the chronic lack of office space at the municipal building. With the ambulance garage relocated, the space will be renovated into offices and may be used to encourage

government agencies to locate offices in the village. The garage will be located next to the firehall.

Luke said the inside of the building upstairs could be finished by ambulance personnel while on call and so that is not included in the tender.

Clerk-treasurer Elinor Burke said the municipality is funding the garage but rents to the Ministry of Health on a square footage basis.

Tree cutting by-law

(from page 1)

intolerant trees as well.

Councillor Gary Kenney asked the MNR representative if he considered Anson, Hindon and Minden lands sufficient for the by-law. Hynard replied that Anson could be ignored with its huge areas of Crown land but the remaining two townships are about 50 per cent privately owned.

Kenney suggested council form a steering committee to examine the bylaw and its adaption to the municipality.

Hynard said the municipality may find the county's wording inadequate, so that all Anson, Hindon and Minden would have to do is request the same bylaw apply in this municipality.

editorial

Warm thoughts

Some thoughts in passing on a hot Tuesday afternoon.

There are a number of important projects underway in the community that will have a long term impact on the area. For example, next week the NEED/COED grant program will begin under the municipality's guidance and partial funding. The project begins with the construction of new sidewalks throughout the Minden core. The interlocking block sidewalks will help to tie the business community together and add a smart new look to the downtown area.

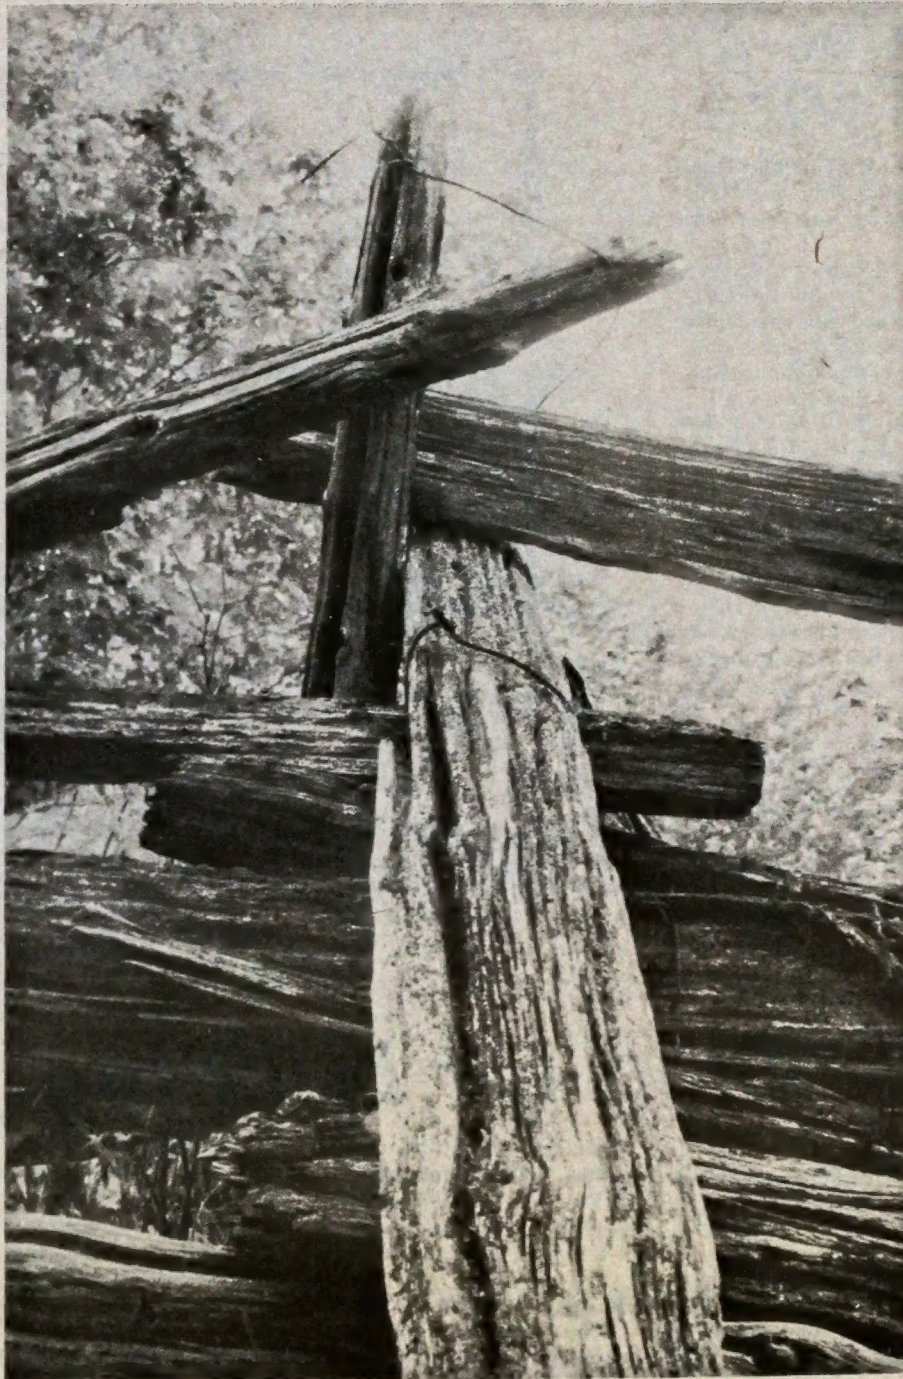

We understand as well that the municipality has plans to eventually extend the sidewalks to the hospital at the south end and the Library-Cultural Centre at the north. These extremes will be a much appreciated, convenient addition.

The municipality has also announced plans to develop a village centre on the property next to the Canadian Imperial Bank of Commerce. Details of the development are still uncertain, but the demolition of the existing buildings is a high priority. Their removal will certainly help enhance the core area.

Then there are those signs at the entrances to town. We like them! We think they provide a distinctive and eye-catching entrance way to Minden.

We would suggest that part of the reason for the outcry over the signs is simply that they are new. Given a few months most of us will probably never notice the signs having grown to comfortably accept them as part of our area landscape.

It is encouraging to see all this activity in Minden. We believe it indicates an aggressive and positive outlook in the community that bodes well for the future for Minden and the area.

SECOND CLASS MAIL REGISTRATION NO. 0936

Regulations required

- by John Eakins, M.P.P. -

I fully support legislation to regulate off-road vehicles. It has been evident for a long time that control has been needed over trail bikes and other related motorized off-highway vehicles. Mandatory registration and mandatory vehicle licence plates are required if damage to public property is to be controlled.

The registrant must be 16 years of age or over, and be required to pay a one-time registration fee valid for the lifetime of the holder.

Every vehicle will be issued a permit and plate which will remove any question of identification of vehicle owners. Off-road vehicles will be defined as motorized two and three-wheeled vehicles not specifically exempt by regulation.

Public liability insurance will be required for these vehicles, except if they are used exclusively on the vehicle owner's private land. If requested by police,

operators must provide personal identification. Approved helmets must be worn at all times, except on the owner's property.

There will be provisions to exempt self-propelled implements of husbandry, road-building machines, golf carts and vehicles for

complained to me about nuisance and damage to property caused by many kinds of unidentifiable machines. Many municipalities and groups have joined in asking for legislation such as the Association of Municipalities of Ontario and the

"Public liability insurance will be required for these vehicles"

the physically disabled under this Act. Remote sections of northern Ontario will be exempt from the mandatory provisions of the Act.

I support this Bill in principle and look forward to speaking on its content once it is introduced into the House. Many people have

Ontario Good Roads Association.

I am convinced that without controls, operators of off-highway vehicles will continue to annoy local residents and in cottage areas in a variety of ways. Injury and death have already taken their toll and hopefully this legislation will help in that control.

letters

Editor:

Re: Yvonne Guida's advice, June 8, The Times "For your reading pleasure, Ancient Evenings by Norman Mailer."

I would herewith advise anyone contemplating the perusal of this novel to acquaint themselves with reviews of same, prior to purchase.

Personally, finding Norman Mailer's supposed "works" to be base, erotic, morally dehumanizing drivel expounded by what appears to be a mentally deficient mind, I would submit the Chatelaine review by Judith Timson July, 1983, as being representative.

This review, condensed, suggests unparalleled garbage for your mind, most unworthy of the reading.

W.H. Ingram,
Minden.

outdoors

by Ron Reid

Few Ontario animals look so ancient as the snapping turtle. As its mossy back and sharp-ridged tail slowly emerges from the murky waters of a marsh, a snapping turtle could fit right in with the steamy swamps of the dinosaurs. In fact, research done by Ontario scientist Martyn Obbard suggests that we are pushing our snappers in the same direction as their long-extinct dinosaur relatives.

Obbard has been studying the snapping turtles in part of Algonquin Park, and has turned up a fascinating life history. After emerging from deep in the mud where they spend 8 months of the year, the turtles establish home ranges in shallow water. Most of their food is vegetation, but the strong jaws of a snapper will ambush a frog or minnow if one happens nearby. Snapping turtles are long-lived, up to 25 or 30 years, but they seldom produce young before the age of 8.

These turtles lay eggs in sandy banks, and Obbard found that some females in his study area travel up to five miles just to nest. Once the 30 or so eggs are buried in sand, the mother returns to her marsh. Almost half of the nests are ransacked the first night by foxes and raccoons. Since the eggs need 90 - 120 days in the warm sand to incubate, many of the young fail to emerge before winter and are killed by frost. Amazingly, the sex of the turtles that hatch is determined not by the parents, but by the temperature of the sand - the warmer the sand, the higher the percentage of females.

Snapping turtles in recent
(More on page 6)

Constable Don Sinclair of the identification branch of Ontario Provincial Police, examines shards of glass for clues outside the Curry Motors service shop in Haliburton. The break-in was discovered Monday morning. Taken in the incident was \$150 in cash, chocolate bars and potato chips. The break-in was investigated by Constable Jim Solway.

Chamber receives award

The Haliburton Highlands Chamber of Commerce received "The President's Award" at the 71st Ontario Chamber of Commerce convention in Sudbury.

The award is presented for outstanding achievement and was given to the Haliburton Chamber for the plastic bag promotional campaign. The bags promote events throughout the year which are occurring in Haliburton County.

President Rhonda Elstone, was on hand at the

convention to accept the award from Ontario Chamber president, Fred Ivey. Also receiving awards at this year's convention were Chambers of Commerce from Oakville, Belleville, Burlington and Simcoe.

Each year community Chambers are invited to submit programs to the Ontario Chamber office for consideration for these awards. The Haliburton Highlands Chamber submitted the plastic bag program as something that

was new and different, certainly original, and extremely cost effective.

The idea originated with Chamber vice-president Ken Langdon while having a conversation with Master Sac salesman, Mike Milne. Once assured of the co-operation of Mike Milne in the program, Ken took his idea to the board of directors where it was unanimously approved and the wheels were set in motion.

It is anticipated that by the end of this summer there may be as many as 4 million bags circulating with the list of coming events of the year listed on one side. The publicity for both Haliburton Highlands and the individual events that are listed on the bags will certainly be substantial and should result in increased attendance at all of these events.

The last time the Chamber received the President's Award at a convention was in 1977. That award was given for the Chamber column which had just begun to be a regular feature in our local papers. A number of Chambers have since emulated this idea and it is expected that many will also be picking up on the plastic bag concept.

Convention

(from page 1)

do a lot for the party."

Chris notes that the convention provided very emotional moments for the delegates. "I recall seeing Clark delegates crying after the results were announced. These people had been wrapped up in the campaign since it began. It was a very emotional moment."

Addresses rural seminar

Elsie Bursay of Halls Lake spoke about the accomplishments of Haliburton County Home Support Services at a Rural Development Symposium at Geneva Park Y.M.C.A. Conference Centre, near Orillia, June 10-12. The theme of the Conference was Sharing Approaches that Work.

A hundred people, representing almost 50 different projects, shared their successes in developing solutions to challenges in their communities or organizations. In all the projects, the people affected by a challenge helped respond to it.

Mrs. Bursay told about how Haliburton County Home Support Services has organized a large number of volunteers supported by local and Provincial Governments, who operate many services such as Meals-On-Wheels, Wheels-To-Meals, Friendly visiting, Home Help for Seniors. An Information and Referral Centre for everyone of all ages has also been sponsored by the Home Support Services.

The Symposium is one of a series held across Canada in preparation for the International Exposition of Rural Development in New Delhi, India, in 1984. It is

part of the national effort to discover "approaches that work" in local development in Canada. Some of the projects exhibited at the

local symposia will be displayed at the New Delhi, India portion of the Exposition in February, 1984.

More comments on the signs

Two weeks ago we invited readers to offer their comments on the new 'Minden' signs at the entrance to this community. The usual restriction that all letters be signed was lifted for this particular topic. This is the last week however, that we will accept unsigned letters on this subject. We still invite your comments, but only letters with the author's signatures will be accepted.

Editor:

The new signs pictured in your paper are grotesque to say the least. If in any way they reflect the knowledge and thinking of our present council, all I can say is "God Help Minden Township."

To put such a monstrosity at the entrance to our County Town and across from an excellent sign already erected, is not only a waste of money, but a deterrent to people who might visit in town.

C. Skelding.

Editor:

If that sign of Minden is what Minden looks like lying on its side, no wonder we have so much water around! (Or could the fellow who made the sign not see straight?)

Editor:

We were thru Minden on the weekend and thought that your signs looked TERRIFIC!

Editor:

In regards to the new Minden signs.

I have never heard so many ridiculous comments on anything before and when I saw it I could understand. If that is what the B.I.A. does they had better stop now. It is a disgrace to our town. Do they think people are going to stop and get out of their car and lie down to read the sign? I have never heard a good word about them yet.

from the chamber

The public meeting held last week at Wig-A-Mog Inn to inform members about a Ministry of Industry and Tourism Program called "Small Business Management Development Program" was well attended by a very attentive group of business men. At the conclusion of the meeting those wishing to participate in the program were asked to indicate this, and 43 of them did so.

The steering committee will be meeting this week and wrestling with the problem of selecting 25 from this list that will be eligible to participate. It is certainly indicative of how well suited such a program is to our area that the response was so overwhelming. The committee immediately asked if there was any chance of extending the limit beyond the 25 and although the chances are somewhat remote, there is still a possibility that this could happen.

Discount book launched

Walter Thomas has become a very familiar figure at many local businesses as he calls on them regularly to explain not only Chamber programs but those of many other organizations in our community. Recently he was retained by the Haliburton Kinsmen Club to assist them in booking booths at the Home Show which ran this past weekend. At the same time the Chamber requested his assistance in calling on members to explain our new Shop and Deal in the Highlands campaign. In the

limited time available to Walter he was successful in not only selling every available booth space in the Home Show but also putting together member merchants who are offering a total of \$550 in discounts in our new Shop and Deal Discount Booklet.

Here are some of the tremendous bargains to be found in the book. To satisfy your appetite you can get \$1.00 off a 12" pizza at both Wilberforce IGA and Minden and Haliburton Red and White. The Harvest Dining Lounge is giving a \$2.00 discount on purchases in their main dining lounge. The Fireside Restaurant is providing a free dessert with any dinner. The PineStone Inn is offering \$1.00 off their regular luncheon prices and Dixie Lee in both Haliburton and Minden are providing a free country style salad with the purchase of a bucket or barrel at regular prices. At Eagle Lake and Haliburton Lake Stores you can get \$5.00 worth of groceries.

If you need some renovations both Elstone Construction and John Beachli Ltd. are discounting \$100.00 off any \$1200.00 job and Jim Johnston is offering \$50.00 off the installation of any hot tub or whirl pool on an \$800.00 job. Petrini Construction, the siding specialist, is offering \$100.00 off any job over \$1000.00 and Newbatts will provide a \$20.00 discount discount on appliances totalling over \$400.00. Both Emmerson Lumber and Black Hardware are knocking \$5.00 off purchases over \$100.00 and Haliburton Lumber has a \$5.00 discount on a \$25.00 purchase. Cordell Interiors is offering \$5.00 off paint and wallpaper purchases of \$40.00 or more and Homestead Plumbing Warehouse is supplying a free toilet seat with the purchase of any Cadet 2 toilet.

If you're shopping for gifts Paulette's provides

\$3.00 off a \$25.00 purchase and both Sandalwood and Campbell's Garden Centre \$1.00 on any \$10.00 purchase. The Village Shop has varying discounts running from \$5.00 to \$25.00 on purchases of \$20.00 to \$100.00 and Family Fashions and Stedmans Department Store are both offering \$5.00 off on a \$50.00 purchase. Haliburton Pharmacy has 4 coupons in the book, all for \$5.00 on purchases on various items ranging from \$15.00 to \$25.00.

At Bennett Motors you can get \$10.00 off a wheel alignment and at Curry Motors \$1.00 off a wheel balance job. Wentworth Marine is offering free installation on ski tow bars, tachometers and speedometers and Haliburton Marine is offering \$15.00 off any \$150.00 or more purchase. Sid Stamp Fuels will give you a free Vapona No-Pest Strip with the purchase of a case of motor oil.

If you're into home movie rentals, Leon's Video Place will give you a free movie with the regular weekend package. Halco Audio-Visual is offering \$6.00 off their mid-week package and Highlands T.V. is discounting their regular weekend package by \$1.00.

Just for fun you can golf at Pinestone for 1.00 off on 18 hole fees or at Haliburton Golf and Beaverbrook Golf for \$1.00 off the nine hole fees. The Skyslider will give you \$1.00 off on the price of any ticket.

Bruce Turner Photography has a coupon for

Kennel call

The following dogs are available for adoption from the Minden Animal Clinic. For more information contact Dr. Peter Bennett at 286-2919.

- a hound cross, black and white in colour, male, approximately four years old.

- a young female spaniel crossbreed. An adorable dog, desperately in need of a home.

\$10.00 off either the regular price of three colour enlargements 8 x 10 or 11 x 14 or the regular price of 2 copy restorations of old photos.

The books of coupons sell for \$5.00 and as you can see in many cases one purchase will get you back your \$5.00 or even more. You can purchase at either the Chamber of Commerce in Minden or the Caboose in Haliburton or at a number of participating merchants. At this time the books are in stock at Haliburton Pharmacy, Cordell Interiors Black's Hardware, Sandalwood Gifts, Leon's Video Place, Campbell's Garden Centre, Wentworth Marine Eagle Lake and Haliburton Lake Stores, Bennett Motors, Emmerson Lumber Paulette's and Newbatts. There is a limited number of books available so do be sure that you are one of the lucky ones to take advantage of all these bargains.

Summers' boat tours

Two excellent boat tours are available for our many visitors to the Highlands this summer and we suggest that you write down the times for future reference. The Highlands Queen cruises Lake Kashagawigamog daily and departs from the Deer Lodge dock every day at 2:00 p.m. (weather permitting). The cruise lasts one

Bonnie and Bill Redgrave celebrated their 50th anniversary with a weekend of receiving friends and relatives at their son Bill's home on Hunter Creek Road in Lutterworth township.

hour and costs \$4.00 for adults and \$2.50 for children.

Muskoka Boat Tours operates a tour on Lake of Bays running 2 1/2 hours which leaves from the government dock at Dorset at 2:30 each day. Their fees are \$7.50 for adults and \$3.00 for children.

Both of these boats are available for private charter by groups or organizations.

More publicity

Last week we talked of the excellent coverage given to the unveiling ceremonies at last month's County Council by C.K.C.O. T.V. and the Globe and Mail and the Star. We have been reminded that C.K.V.R. in Barrie, C.K.L.Y. in Lindsay, and the Lindsay Daily Post, also gave us excellent coverage and we apologize for not mentioning them previously.

Outdoors

(from page 4)

years have become much sought after as a gourmet delicacy, and the annual take in the Lindsay district alone is 25 - 30 tons per year. Almost all of this turtle-trapping is done by Americans, whose native waters have already been cleaned out of snapping turtles. Obbard warns that a population such as this, which normally is very slow to reproduce and which has low natural mortality of adults, simply cannot stand such exploitation. He suggests that we need regulation of their trapping, under the authority of the Minister of Natural Resources, and protection of their nest sites.

Obbard's work has given us fair warning of the threat facing Ontario's snapping turtles. If we fail to act, we stand to lose another interesting and valuable part of our aquatic ecology.

Hustlers lose to York 4-1

Last Wednesday night looked like a continuation of last year's Tri-County baseball playoffs as York Tavern came to town to meet the local boys. Both look as if they mean to be there again this year as they went for 12 innings before York finally took the contest.

With "Big Jack" Snell on the mound for the Rockcliffe Hustlers and Jeff (Skinner) Graham on the mound for the Tavern it looked like this game might never end. The visitors scored a run in the second inning on a home run and

the Rockcliffe boys tied it at one in the fourth inning. Although the locals had base runners in almost every inning the score stayed constant until the twelfth inning when the visitors scored three runs to take the win. Final score York Tavern 4 Rockcliffe Hustlers 1.

Hustlers bounce back

On Sunday night the Rockcliffe boys travelled to Downeyville to meet the Royals. They came home with their fourth win of the year to raise their record to 4 wins and 1 loss.

Rick Hartwick made his first start on the mound for the Hustlers and pitched five strong innings before being relieved by Jack Snell. Rick was supported by the power hitting of Barry Shaw and Dwight Sisson each with a home run and the strong bat of Greg Newell who was four for four at the bat. The final score of the game was Hustlers 8 Downeyville 3.

If Hartwick can get back into his old form on the mound, it will be a real asset for the Hustlers as along with Snell and Barry Shaw it will give the locals a real strong pitching staff.

It is hard to understand that when this type of outstanding ball is being played, the local crowd support is so poor. Remember the Hustlers play at home every Wednesday night at 8 p.m. Come out and support the team to another championship in 1983.

The next game for the Hustlers at home is Wednesday June 15 at 8 p.m. against Woodville. Come out and see the Hustlers (last year's Tri-county champs) in action.

The Hustlers host Downeyville June 22.

Tennis tourney for young players

Join the human race. We're all out running in the park.

PARTICIPATION

Young tennis players will get an opportunity to prove their ability when the second annual tennis tournament for youths will be held in Minden. Organized by Corry Ziorjen, the one day event offers younger tennis players a chance to play-off in an elimination event. Trophies are available for the top finishers in the junior and senior categories.

The tournament begins at 9 a.m. Sunday morning at the Minden courts. Junior players, aged 12 to 15, are up first followed by the senior players, aged 16-18. For more information on the event, contact Corry after school at 286-1216.

Soccer team scores first win

The Haliburton soccer team has won its first game of the season. The team scored a 3-0 victory Sunday in a game played in Parry Sound.

The win came as somewhat of a surprise to the young team which has been playing in the long-established Muskoka area league for the first time this year. The team has been defeated in its first four

outings this year.

Scoring for the Haliburton team was Dwayne Warburton, Scooter Burgess and Koan Phan.

The team will attempt to enlarge on this first win of the season Sunday afternoon when they meet Orillia City at the HHSS soccer field.

Fan encouragement to help boost the team would be appreciated.

Rick Choy and Marla McNaul were selected as male and female athletes of the year at the Haliburton Highlands Secondary School athletic banquet. With the two are Gary Brohman and Laura Aymong of the physical education department. The banquet, held June 7, honoured those who participated in school sports during the 1982-83 school year.

Ladies' league remains busy

by Lori Dean

There was lots of action in the Haliburton County Ladies Softball League last week.

A total of six games were played.

On Monday night (June 6) four teams hit the diamond in local play. The league leading Minden Seniors journeyed to Carnarvon and came home winners in a lop sided 31 - 3 win. Lori Brown had a perfect night at the plate with eight hits for eight tries at bat. Jane Symons also hit well for the seniors. Ann Hewson was the winning pitcher in this one with Lil Gorveatte the loser.

Also on Monday night, West Guilford and the Minden Juniors did battle and Guilford came out on top doubling the score on the Juniors 12-6. Cheryl Cooper and Bethany Woods were the top hitters for Guilford while Wendy Ballantyne and Anita Beaver were the best for the Juniors. Joan McKay was the winner in this one and Cheryl Dillon and Andrea Burk shared the loss.

Over in Haliburton, the Haliburton Juniors got their first win of the season at the expense of the Wilberforce IGA team. Wilberforce took the lead with six runs in the first and second innings but the gutsy Juniors fought back and defeated Wilberforce 10-9. Miriam Smith and Tracy Harrison collected two runs each for the Juniors and Cindy Ablett and Kris Storey crossed the plate three times each for Wilberforce. Marg Smith was the winning pitcher and Sue Musclow took the loss.

Tuesday evening the Haliburton Seniors played

West Guilford in a very exciting game. The Seniors took the lead by a 2-0 score in the second inning but Guilford came roaring back in the fourth to tie the score at 3-3. The Seniors took the lead again in the fifth with good bats from Shirley Hewitt, Betty Whiteway and Kim Roberts. This, coupled with some costly Guilford errors gave the Seniors the win by a score of 10-6.

Cheryl Cooper and Linda Sisson hit well for the losers but it was too late to stop the Seniors from collecting their third win of the season.

Wednesday evening,

Wilberforce played a get even match with the Haliburton Juniors. It was a real slugfest as Wilberforce defeated the Juniors 23-22. Wilberforce trailed at bat most of the game but came from behind in the last inning to take the win. Pam Iles, Marla McNaul and Tracy Harrison all hit home runs for Haliburton while Jo Olszewski, Sue Musclow and Rhonda Walsh collected four runs each for Wilberforce.

By the end of the week the Minden Seniors had added two more points to their total when they defeated the

Haliburton Seniors in a previously rained out game. This contest ended 10-3 for Minden. Barb Barnhart and Lori Brown had a good night at the plate for Minden and Wanda Scott and Nancy Maughan were big hitters for Haliburton. Nelda Cully was the winning pitcher for Minden.

Somerville council briefs

Building starts in Somerville township have decreased, compared with last year, according to a report from the township's chief building official.

The report showed that 21 building permits were issued in May, with a total construction value of \$150,600, compared with May 1982, when 22 building permits were issued for a value of \$362,900. In addition to the building permits, the official made 13 lot inspections and one demolition permit was issued.

Write-offs

Somerville township council has accepted a recommendation from the treasurer to write off \$890.96 in 1983 property taxes. The taxes are no longer valid, because of buildings that have been

vacated or demolished, and property that has since been acquired by the municipality, and is now tax exempt.

Request refused

Council has refused to support a proposal by a local resident to build a campground on Lot 10, Concession 8, in the township. John Sims has repeatedly requested permission to open a campground on the site, but council turned him down because of objections from local ratepayers.

Appointment

Somerville township council has passed a by-law to appoint a board of management for the new Burnt River-Somerville Centre.

The new board will consist of Erick Watson, Marlene Watson and John Blackmore (representing the Burnt River and District Recreation Association), Gordon Frise and June Handley (representing the Burnt River Community Club), and council members Sue Douglas and Gord Carr.

KINSMEN DRAW

Trip for 2 to Toronto. Winner: G. Maurice,
R.R. 1, Perkinsfield, Ont.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

1982 FINANCIAL INFORMATION

MILL RATES	Residential and Farm Properties		Commercial and Industrial Properties	
	1982	1981	1982	1981
Townships Levy	137.520	128.617	161.788	151.314
County Levy	45.562	43.218	53.602	50.845
School Board Levy	266.180	242.310	313.154	285.071
Total Mill Rates excluding special area rates	449.262	414.145	528.544	487.230

AVERAGE HOUSEHOLD TAXES

The average residential assessment per household according to the 1982 assessment roll supplied by the Ministry of Revenue was \$894. Using this assessment base, the average residential tax burden per household was as follows:

	1982	1981
Townships Levy	\$123	\$115
County Levy	41	39
School Board Levy	238	217
Total Residential Property Taxes	\$402	\$371

The above 1982 taxation per household of \$402 is for a public school supporter living in the rural area without special area rates.

REVENUE FUND OPERATIONS

Training centre hosts employees

The Haliburton Highlands Hospitality Training Centre is presenting a one day workshop, Wednesday, June 15. The seminar has been designed specifically for staff already employed by owners and operators of facilities who are actively involved in the hospitality training centre program.

Since unemployment is one of the prerequisites to attending the 18 week course at the training centre, concern was expressed that individuals already employed in the industry would not benefit from the Hospitality Training Centre. Wednesday's workshop is one of the several seminars that will be offered for people already working in the hospitality field.

The program is being taught by the instructors at the Training Centre,

Rebecca Parkes, Pat Burns and Bill Hicks. The topics to be covered are, the importance of working as a team, effective communication skills and dealing with customer complaints.

Kinmount Legion hosts tournament

- submitted -

Royal Canadian Legion Branch 441 in Kinmount hosted an exciting day of inter-club dart action on June 4. Branch teams from Omeme, Lindsay, Bobcaygeon, Cobocok, Beaverton, Cannington, Haliburton, Haliburton and the host club, Kinmount, took part.

The Lindsay club took the top prize in team play, with Kinmount coming second, Cobocok picking up third.

The doubles competition was won by Al and John Weaver of Cobocok. Paul Tracey and Peggy Hall, also representing Cobocok, took second place. Third place went to a mixed team from Lindsay.

Kinmount's John Windburn took the singles competition, with Dick Morgan finishing second.

Aside from the darts action, the day was a great social event as well, with the Legion ladies supplying a lunch that was enjoyed by all.

Townships of
Anson, Hindon & Minden

PART TIME HELP WANTED IMMEDIATELY — Clerk Typist —

Applications will be received by the undersigned for the above position until Monday, June 20, 1983 at 12 o'clock noon.

Mrs. Elinor Burke, A.M.C.T.
Clerk-Treasurer,
Box 98, Minden, Ont.
KOM 2K0
286-1260

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN 1982 FINANCIAL INFORMATION — Continued —

LIABILITIES

Temporary loans	\$ 131,013	\$ 242,557
Accounts payable and accrued liabilities	129,379	72,031
Other current liabilities	60,163	60,691
Net long term liabilities	645,204	680,773
Reserves and reserve funds	482,386	304,086
Accumulated net reserve and unapplied capital receipts	37,249	154,937
	<u>\$1,485,394</u>	<u>\$1,515,075</u>

NOTE:

(1) Fixed Assets

The historical cost and accumulated depreciation of fixed assets are not reported for municipal purposes. Instead, the "Capital outlay to be recovered in future years", which is the aggregate of the principal portion of unmatured long term liabilities and the cost of capital projects not yet permanently financed, is reported on the "Balance Sheet". The one exception to this policy is the Sewage System which, in accordance with its service agreement with the Ministry of the Environment, does not require the inclusion on the Balance Sheet of the "Capital outlay to be recovered in future years". The water treatment rate charged by the Ministry of the Environment includes the related debt retirement costs.

GENERAL NOTES

(1) The 1982 Financial Report consolidates the operations, assets and liabilities of the Townships and the following municipal enterprises and local board:

- Minden Waterworks System
- Minden Sewage System
- Minden Business Improvement Area

(2) Municipal enterprises are those activities whose costs are substantially recovered from service charges on users. The only municipal enterprise of the Townships whose revenues and expenditures have been excluded from the financial information highlighted above is the Minden Cemetery Board.

(3) The financial highlights presented have been basically extracted from the audited 1982 Financial Report of the Townships and its municipal enterprises and local board as described in Note 1. The terminology contained in the Financial Report has been modified and expanded in order that you might appreciate more fully the nature of our operations.

(4) Copies of the 1982 Financial Report and the Report of our Auditor, Gary L. Thursforn, Chartered Accountant, are available from the Townships' Treasurer for any resident who wishes to review or analyze the financial operations of the Townships in greater detail.

Looking back

Last week's edition reported that world events had conspired to reduce the demand for the lots offered to European settlers in Haliburton County by the Canada Land and Emigration Company. The company had purchased ten townships from the Crown. When the expected demand did not materialize, the company sought to have its agreement with the province amended. Laying out its position to the provincial cabinet, through the Lieutenant Governor, W. P. Howland, the company explained:

The humble petition of the Canadian Land and Emigration Co., (Limited.) RESPECTFULLY SHEWETH AS FOLLOWS:

That your petitioners are incorporated under the Imperial Joint Stock Company's Act, and the shareholders of the said Company are principally resident in Great Britain.

That in the year one thousand eight hundred and sixty one, they laid out a capital of forty thousand and seventy-seven pounds, seven shillings and eight-pence, sterling, in the purchase of ten townships, containing four hundred and fifty thousand acres of land, in the Province of Ontario, and since that date they have expended the further sum of eighteen thousand and fifty-four pounds, fifteen shillings and two-pence, sterling in expenses connected with the management of the Company's affairs, surveys and preparation of the land for settlement and furthering emigration, and that while Canada has been benefited by so large an expenditure, various causes beyond the control of the Company have so much and so injuriously affected the settlement of the Company's land, notwithstanding the favorable terms and low price at which it has been offered for sale, that your petitioners have as yet been unable to obtain but a small return of the capital invest-

ed.

That their efforts to obtain settlers will be still further impeded now that the Government has offered to the public free grants large tracts of land in the immediate vicinity of the lands of the Company, and that has such been the announced intention of the Government at the time of the negotiation for the purchase of the townships now held by the Company, it is obvious that the purchase would either have been declined or such terms only would have been acceded to

as, in the face of such competition, would have given them a rational prospect of fulfilling the settlement duties required.

Your petitioners therefore humbly pray that, under the circumstances, either that your petitioners may be placed in the same position as the free settlers by the restitution of the capital paid by them to the Government, or that they may be relieved of the

performance of settlement duties.

And your petitioners, as in duty bound, will ever pray, &c.

Sealed with the Company's seal in the Province of Ontario, and signed by its attorney this twenty-second day of August, A.D. 1868.

F.H. Heward, (Seal)

C.J. Campbell.

Attorneys and Trustees

The best little warehouse in Haliburton!!

Bert and Mary celebrate 65 years

Bert Harrison and his wife Mary celebrated their sixty-fifth wedding anniversary last week. The couple are residents of the Hyland Crest Home in Minden.

Bert is also well known to our readers as the rhyming author of the weekly column, Senior League, a report on activities at the county-run home for senior citizens.

The couple were guests of honour at a special afternoon tea party. As they accepted the good wishes of friends and fellow residents, the couple recalled the early days of their marriage.

Bert and Mary were married in Mary's home a mile north of Minden on the Bobcaygeon Road. The home wedding was a popular tradition following the First World War. Reverend Mr. Grant, the

Bert and Mary Harrison.

Methodist preacher, officiated at the ceremony.

If photographic evidence was needed to prove a wedding had taken place, Bert might be hard pressed to produce the proof that he and his wife were wed. The couple did have pictures taken on their wedding day, as a matter of fact they trusted the job to a friend. However, through a problem with the alignment of the camera, Bert was almost always left off the

final prints.

The couple identify a number of reasons their marriage has lasted over the 65 years, but they have found their greatest bond has been their shared belief in God. "They say the family that prays together, stays together," Mary commented, "I guess we are a good example of that saying."

Bert and Mary have also shared a large number of other interests which they

suggest has helped to hold their marriage together over the years.

And what about Bert's penchant for making rhymes. "Well I've always been a rhymers," he comments. "I was always making up poems and stories in verse," Bert said. "I just enjoy it."

Activity day for seniors

A special seniors' activity day has been planned for next Monday to mark Senior Citizen's Week in the county.

The venue for the day will be PineStone Inn. Seniors will be able to take advantage of free movies, bridge or euchre games, dancing in the afternoon and entertainment provided by the PineStone Entertainers.

Also available to the seniors will be nature walks, golf at reduced prices, the swimming pool, sauna and whirlpool and, as the announcement indicates, "just relaxing in the sun."

The activities start at 10 a.m. and continue throughout the day. Those wishing to have lunch or supper at the Inn can do so as well although it is suggested that reservations be made prior to June 20.

COUNTY OF HALIBURTON

I hereby declare

SENIOR CITIZENS' WEEK
Commencing June 19th, 1983

In honour of all Senior Citizens
in the County of Haliburton.

around the county town

by Yvonne Guida

Congratulations and best wishes to Mr. and Mrs. Amos Brubacher of Cambridge (formerly of Minden) who will be celebrating their fiftieth wedding anniversary with open house at the home of their daughter in Elmira, on Sunday, June 19.

In place of their usual picnic on Wednesday last, two carloads of ladies, members of the North Road Quilting Group enjoyed lunch and shopping together in Oshawa. This was their special treat after all their hard winter's work making quilts. They still have some quilts to sell and they may be seen by phoning 286-1417 for an appointment.

Mary Eaton of Lutterworth Estates is now home after her long bout in the hospital. Everyone wishes her a speedy recovery.

I am sorry to report that Dr. Good's home was severely damaged during a violent thunderstorm last week. It must have been devastating for the Goods, but thank God, neither he nor Mrs. Good were injured.

The Thrift Shop at St. Paul's will not be open this Friday, instead it will be open on Saturday at the same time the Yard Sale will take place beginning at 10:00 a.m. to 2:00 p.m. In case of rain it will be held in St. Paul's Parish Hall. Come and take advantage of the good things that will be offered.

Best wishes to Isobel Harrison of Lutterworth Estates and Russell Robertson of Lochlin who were married last week.

It is with extreme regret that I report the death of Mary Maidens of Lutterworth Pines this past Sunday. She was a good friend and will be sorely missed. She is survived by her two daughters, Pat and Norma Jean and grandchildren. Our deepest sympathy to them all.

The winners of the Museum Card Party last week are as follows - euchre - lone hands, Betty Harper, high on a cut, Charlotte O'Neill, other Ethel Leigh.

Did you know? - Tropical forests from the Monsoon Jungles of Borneo to the cloud forests of Costa Rica make up one of the basic life-support systems of the Earth, affecting not only world-wide rainfall but also the pattern of life's evolution. In a sense, all modern things are creatures of the tropics. Jungles are a part of our heritage. For some 60 million years, tropical forests have been a

hothouse for the plants' gene pool, incubators where the great diversity of land plants and animals, including early human ancestors evolved. Modern studies of the natural history of tropical forests are helping scientists to learn about how evolution works.

My interview was aired on CFMX-FM at 4 p.m. last Sunday. It seemed to go very well and I was able to speak about our Agnes Jamieson Gallery, here in Minden. Do support the Gallery. It means so much to everyone and do visit the Irwin Karnick exhibit, it is well worth seeing.

Best wishes and many happy returns to my friend Cathy and her father Gordon Darby who both celebrated their birthdays on the same day last Saturday, June 11. The family enjoyed a delicious dinner prepared by Mrs. Darby and a great time was had by all.

Lutterworth Estates Home Owners' Association held a dinner party on Thursday, June 9 at the Wagon Wheel Restaurant. The hospitality hour was from 6 to 7 p.m. After which the large gathering enjoyed a delicious roast beef dinner, following which there was a short business meeting at which President Ann Baker presided and had everyone roaring with laughter at one of her stories. Other executives in attendance were Reg Hart, vice president, May Spence, treasurer, Yvonne Guida, new secretary, and Isabel Clay, sick or visiting. Dancing and sing-a-long followed, with prizes being awarded for ticket holders, and everyone had a fun time.

We have just learned of the passing of Mrs. Mary

Campbell of Cobourg, mother of Harry Campbell of Minden. Sincere sympathy to the family on their loss.

I recently listened to the rendition of Georges Bizet's Carmen performed on RCA Victor records with singers Licia Albanese, Rise Stevens, Jan Peerce and Robert Merrill. When I was travelling in Spain in 1975, one of the highlights in Seville, pointed out by our tour guide was the cigarette factory that inspired Bizet which was of great interest to us all.

Keep in mind St. Paul's Parish Picnic to begin at Barclay's on the shores of Maple Lake on Sunday, June 19. The festivities begin with an outdoor service of Holy Communion, which will begin at 11:00 a.m. It should be a fun day for all. Directions may be obtained at the church 286-1817 or the Barclay's 754-2367. If the weather is poor then the picnic will be rescheduled for June 26.

"Do not waste time bothering whether you love your neighbour, act as if you do. As soon as we do this we find one of the great secrets. When you are behaving as if you love someone, you will presently come to love him."

C.S. Lewis

El Tigre

I love my friend the tiger
His stealth and velvet paws,
His great intuitive wariness
His sheathed and deadly claws.
He looks for hurt to no man
But longing to survive,
God's creatures bear no malice
No vindictiveness inside.
And I am like El Tigre
A tiger burning bright,
Amid the moonless shadows
In the darkness of the night.
And like him, stand unflinching
His mien, and awesome might -
Who roars with deep defiance
At those who would incite,
"The more that I am taunted
The more then I will fight!"

Yvonne

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: When Noah was building the Ark, where did he first strike a nail?

A: On the head.

Q: On what side of the house do maple trees grow?

A: On the outside.

Q: How many sides has a teacup?

A: Two - inside and outside.

Q: What do they do in Vancouver when it rains?

A: They let it rain.

Q: Do you know the story of the empty jug?

A: There's nothing in it.

Q: Do you think you could live if you had seven holes in your head?

A: You do have - 2 eyes, 2 nostrils, 2 ears, 1 mouth.

Q: What are the last three hairs on a dog's tail called?

A: Dog hairs.

Q: If it takes three men to dig a hole, how long will it take two men to dig half a hole?

A: You can't dig half a hole.

Q: Under what kind of bushes do rabbits sit when it's raining?

A: Wet bushes.

If any of you kids have jokes you would like to share, please send them to me care of this newspaper.

Bye for now. Take it easy. God bless till next time.

senior league

by Bert Harrison

To start off my letter this week at Hyland Crest, I would like to tell you of the service Sunday night and our special guest. The Thompsons came to do their part, with their help we are truly blessed. Then Heather Bowron who is joining the Friendly Ministry with headquarters at Colorado Springs, but they travel all over witnessing for the Lord. The residents gave her two months church collection to help to pay her board. Heather gave her testimony and sang for us twice which was really nice. Then Rev. Burgess spoke briefly. He had a very busy day, he had a service at Eagle Lake, one at Haliburton then back to Hyland Crest. We hope he went home and had a real good rest. Well folks it looks like rain again. For this there is a reason, there must be, I guess we will call it the wet Spring of eighty three.

Monday morning down at fun and fitness, Violet Deumo won at darts, for all of us to witness. Linda English and family went on a fishing trip this past

weekend, to try to catch some trout, got bogged down in the awful mud and had to get pulled out.

Tuesday morning Rev. Elliott of Minden Anglican church along with his assistant Rev. Dennis Dolloff held a very interesting service in the chapel here. Rev. Dolloff said he liked coming to talk to us, we seemed so sincere. We thank you both for coming and bringing some sunshine our way, and we thank Fred Ballard for coming the music to play.

Tuesday night our entertainers came all the way from Grass Lake, with fiddle, take your partners by the hand and all join in the middle. When Kathy played the accordion some good old hymns to sing, we thank them for coming, much pleasure they did bring.

We have a member on the kitchen staff named Phyllis Sutherland, here is some one who deserves a real good hand. She comes to work some days feeling awfully though, she is afraid if she doesn't come they won't have help enough.

Mr. and Mrs. Victor MacBrien have come to Hyland Crest, we hope they will like it here, we're sure they will fare the best. We have known Victor as in days of yore, they will be living in 102 and we in 103 on the same floor. We are happy to have Mrs. Eastman back again as cheerful as can be after being hospitalized for eye surgery.

Thursday afternoon was a busy time here at Hyland Crest, the Minden U.C.W. served the tea party, which was a real success. This being our wedding anniversary day, Rev. John Phillips of Haliburton and his assist-

ant Julie Kennedy came to sing and play. They entertained us royally with music and with song. God bless you both we'd like to say, for giving us this happiness on our anniversary day. Sorry to report Mrs. Shuyler is in Minden Hospital, we hope it won't be long when she will be feeling better and back with us again.

Our entertainers came on Friday afternoon, Norma to play the music and Grace to lead the tunes. Grace sang a couple of solos, read poems two or three, then we sang "The more we get together the happier we will be."

be ringing quite near here.

No vision & you perish. No ideal and you're lost. Your heart must ever cherish some faith at any cost.

Some hope, some dream to cling to, some rainbow in the sky;

Some melody to sing to, some service that is high.

CARD OF THANKS

I would like to take this opportunity to thank all my friends for their prayers, visits, cards, phone calls and good wishes while I was a patient in Hospital. A special thank you to Drs. Holliday-Rhodes, Manohansing, and Lackey, also the nurses for all their care.

Dora Dawson

The Alton family would like to say a special "Thank you" to Dr. Holliday-Rhodes and the wonderful nursing staff at Minden Red Cross Hospital. Your kind assistance and devoted care to Hugh while he was a patient there. Your consideration and words of encouragement to our family during a time of great stress will always remain a treasurable memory with us.

Fran, Marilyn, Beverly, Betty, Ruth, Hugh Jr., Kathy, Laurie and Mrs. Ruth Alton

The family of the late Hugh Alton Sr. would like to express their heartfelt thanks to relatives, friends and neighbours for their many acts of kindness, beautiful floral tributes, memorial donations, prayers and cards received during our recent loss of a beloved husband, father,

CARD OF THANKS

and grandfather. Also to all who sent food and baked goods. Special thanks to Donna, Gord and Cam Monk who are always no. 1, when it comes to moral support and assistance during times of need. And to Arcadia Lodge No. 440 for the Masonic Service held for Hugh. To Rev. Father Elliott and his assistant Dennis Dolloff for the lovely service and words of support. To the Royal Canadian Legion No. 441, Kinmount. Last but not least to our family for all their love and devotion in looking after Dad during his illness.

Mrs. Ruth Alton & Family

THANK YOU

The Archie Stouffer Home & School Association has had another successful year raising money through the sale of hot lunches for the students. We thank the merchants for their assistance and co-operation, particularly Kawartha Dairy, Linkert Bakery and Mr. Don Blakey. We also express our appreciation to Mr. Baker, Mrs. Pawluch and the teachers for their co-operation. A special thanks goes to all the mothers who helped with preparing the lunches, without you, it would not have been possible!

AT REST

MAIDENS Mary

- suddenly at the Minden Red Cross Hospital on Monday, June 13th, 1983 in her 64th year, beloved wife of the late Norman Maidens, dear mother of Norma June (Mrs. Neil Burk) and Patricia (Mrs. Raymond) both of Minden, loving grandmother of Andrea, Andrew, Amber-Lee Burk and Scott Raymond. Dear sister of William Watt of Peterborough, Grace Carew and Floris Monaghan. A memorial service will be held at the Gordon A. Monk Funeral Home on Tuesday, June 14th, 1983 at 7:30 p.m. The body was donated to Medical Science.

IN MEMORIAM

HARRISON, DAVE: In loving memory of a dear husband and father who passed away on June 17, 1980.

He left us quietly
His thoughts unknown
But left us a memory
We are proud to own.
So treasure him Lord
In your garden of rest
For when on earth
He was one of the best.

Always loved and remembered by wife Laura and son Harold.
